Drawings and specifications and other contract documents duly signed, stamped or sealed, as instrument of services, are the intellectual property and document of the architect, whether the object of which they are made is executed or not. It shall be unlawful for any person to duplicate or make copies of said document for use in the repetition of and for other projects or buildings, whether executed partly or in whole, without the written consent of architect or author of said document.
(R.A. 9266, Art.IV Sec. 33)
